With no additional questions or comments regarding the proposed Landlord Ordinance, a motion was made by Mark Greenawalt, and seconded by John Kautz, to pass the proposed ordinance, as advertised. Motion passed unanimously.

A copy of an invoice from Attorney Pascal was presented for payment. A motion was made by Mark Greenawalt, and seconded by Dennis Gabrielli, to pay Charles Pascal and invoice in the amount of \$1274.00. Motion passed unanimously.

Engineering Report

Following a general update report, Rich Craft presented an overhead presentation of proposed projects and the estimated costs associated with those projects that may have potential to meet the criteria for various grants available. After the presentation a motion was made by Mark Greenawalt, and seconded by Cheryl Swank, to make application on behalf of the Planning Committee for a multi-model grant proposal, a Greenways, Trails, and Recreation grant proposal, and an ARLE grant proposal, and work with the engineer to come up with final proposals, including all official paperwork necessary, and authorizing all official signatures as required. Motion passed unanimously.

Borough Manager's report: There were no objections from council members regarding allowing portable lighting for the parking lot of the night on the trail on July 19th, except the lighting may not disrupt residents in their homes, or blind traffic in any way.

Lutheran Church requested placement of signs on street sign poles advertising the church services (at intersections etc.). This is not allowed by any churches and/or individual businesses, and any requests would have to go through the Zoning Officer. Request from meals on wheels for special parking cannot be allowed. Parking is at such a premium throughout town, and N. 3rd is no exception. There is a private lot owned by the church available for parking.

FLAG update – John Kautz reported that he and Bonnie have been attending FLAG meetings for a long time, and he would like to see other council members get involved, as he has other obligations as well. There is an event sponsored by FLAG on 6/17 at the Twisted Thistle. We will try to get the details to share with council.
