

Apollo Borough Council Mtg. 7:00pm ~~9/25/14~~ <sup>10-30-14</sup>

O&A# 201418A

General Services - O&A#201418A

Liquid Fuel Funding Road Review - O&A#201318A (no change)

Hose House alley and Day Way need improved to be added

Street Opening Ordinance (no change)

N. 11th Street Culvert Replacement

PADOT will be doing at least a partial replacement / increased opening

Apollo May be able to convince PADOT to replace the whole culvert if discussed early enough

Replacement could cost hundreds of thousands of dollars - may be left to Apollo to do

Does Council want involved or O&A involved? (suggest setting up mtg. with PADOT)

Apollo Borough Sanitary Sewer Services - O&A#201418C

Received email from KVVWPCA manager, Dennis Duryea, earlier today

Working to resolve Outfall issue & S. 2nd Manhole issue

KVVWPCA has initiated discussions related to a capacity tap fee for new users

This will help to keep existing customer rates lower

Meetings are scheduled over the next few weeks

KVVWPCA flow reduction report - waiting on KVVWPCA

River Outfalls (No change)

Locations of diversions made to River to date (N. 11th, Parcel A, Standford or N. 4th, N. 3rd)

KVVWPCA will add ownership transfer of diversion manholes to acknowledgement

Borough & KVVWPCA may want to switch KVVWPCA manhole lids (Sanitary to Storm)

KVVWPCA & Borough to review Parcel A invert issue

Outflow higher than inflow

May create a future maintenance issue

May want to place concrete in invert prior to property transfer

KVVWPCA Manhole at end of S. 2nd and River - Erosion around manhole (no change)

KVVWPCA must have a surcharging problem in the line - emailed KVVWPCA - no response

Could eventually expose pipe creating a greater potential for pipe damage & line freezing

Riprap stone should be placed to repair and prevent future erosion

KVVWPCA should cap abandoned line to reduce infiltration

2014 PADEP required reporting data to KVVWPCA by Apollo (no change)

O&A to prepare calculations and respond to KVVWPCA request for data

KVVWPCA Project

Project completion - 7/2015

Waiting on project completion & new flow monitoring

Revised rates will be determined based upon flows

Apollo should attempt to reduce as much flows as possible to keep rate as low as possible

Still need to schedule inspections of Apollo house ports in order to help reduce flow

Apollo Borough could pursue CDBG funds to provide low flow toilets for low income residents

These toilets would reduce sewage discharges to KVVWPCA

These toilets would also reduce water useage

Overall would provide general and specific cost savings to homeowners

Sewer Separation Project - O&A#200918C.14

PADOT Permitting - still waiting on PADOT and Peoples Gas (no change)

Utility Incidents - still waiting to hear back from District Attorney - may want to pursue (no change)

KVWPCA - discharge Elimination (no change)

Currently 643 of 670 structures have connected to the new sanitary sewer system

A total of 27 properties have structures without water service (most vacant)

There are no known Apollo Borough structures contributing sewage to the old sewer line

Discharge Elimination

Completed - N. 11th St., Parcel A, Standford (N.4th), N.3rd, S. 2nd, S. 3rd, S. 4th,

Grace Street & First Street - Needs diverted - waiting on Kiski. Twp. Project

PENNVEST & PADEP

Waiting on Certificate of Completion - can not be completed until diversions are complete

Kiski Township Project Schedule (No change or update)

Kiski Township still has unconnected homes (may be 6 of 29)

Kiski Township Supervisors have voted to complete connections

Kiski Township has not determined who will do work and when

Apollo Borough is still waiting

Apollo Borough Grants - O&A#201418D (no change)

DCED Greenways, Trails, and Recreation Grants - O&A#201418D.01

Received denial notice 10/23/14

PADOT Multimodal Transportation Grant - O&A#201418D.02 waiting on selection

Shafer Subdivision - O&A#201418B.01 - waiting on driveway access agreement

Higgins - O&A# 201418E

Meeting held on October 17, 2014 and minutes issued October 20, 2014

Mr. Higgins indicated that he would plan to remove the deck and would not request a variance

Fence Issue

Mr. Higgins want to use posts as fence and extend along N. 10th Street for safety

Fence would physically be inside Apollo Borough Road Right-of-way

Who would be responsible for maintenance?

Armstrong County Watershed Plan Advisory Committee (WPAC)

Attended 10/15/14 meeting at Armstrong County

Reviewed Borough with Eric Andring & completed survey

Any additions or corrections with survey?

A map will be created noting the location of the problems indicated. Submission deadline 11/14/14
