

General Services - O&A#201618A

Street Opening Ordinance - waiting on Apollo

N. 11th Street Culvert Replacement

Opening of connection between Scenic Drive & Pegtown Avenue

North Apollo has begun process of seeking grant to do their part

Awaiting final design information from PADOT

PADOT construction Summer of 2019 for project

Sanitary system redesign awaiting final project design from PADOT

Reviewing options for Scenic Drive & S.R. 0056 intersection

Wooster has prepared draft study and will be submitting to PADOT

Apollo Borough Sanitary Sewer Services - O&A#201618C

KVWPCA

River Offalls KVWPCA ownership transfer of diversion manholes to acknowledgement

New plant project completed and fully operational - Open House October 30th

Flow data report (still waiting)

Flow monitoring of the Apollo System to begin November of 2016

The flow monitoring will be used to determine the new sewage rates for each community

Elimination of infiltration will help to reduce flow to plant and new rates for sewage

Inspection ports could be reviewed during rainfall events to verify compliance

The Rural Watershed Association could be contacted about doing inspections

A grant could be sought for getting low flow toilets installed to reduce flows

2016 PADEP required reporting data to KVWPCA by Apollo

O&A to prepare calculations and respond to KVWPCA request for data

Apollo Borough Grants - O&A#201518D

Greenways - O&A#201518D.02 - approved by DCED for \$150,000

Commitment cost to Apollo for match \$26,470.59

Work to include

1/4 mile walking trail in Owens Grove Railroad Street Trail work

North 2nd & Park Avenue repair work Railroad Street Widening

Multimodal - O&A#201518D.03 - approved by DCED for \$166,325

Commitment cost to Apollo for match \$71,282.15

Work to include

North 2nd Street widening Hose House Alley widening & repair

North 2nd & Park Avenue repair work Railroad Street Widening

New North 2nd sidewalk Trail - relocation for widening

Improved radius at Terrace & North 2nd

Pursuing Both Grants

Commitment cost to Apollo for match \$97,752.74 max.

Funds need to be used by June of 2019

DCED Conference call earlier today

Confirmed that work can be split into two project over the next two construction seasons

Verified that material types are at our discretion - asphalt vs. tar & chip - concrete vs. asphalt

Items not under scope like signs & landscaping can be added by amendment

Recommend splitting project by location

Owens Grove, N. 2nd, Hose House Alley, as one project

Railroad Street widening and trail work as other project

Apollo Bike Route Idea

Consider bike route / lane using N. Warren and S. Warren looping back to trail
Repave streets, improve landscaping, signage, to draw trail users to businesses
Consider submitting for 2017 multimodal and adding work to Railroad Street project if
project work is scheduled for 2018

Armstrong County Watershed Plan Advisory Committee (WPAC) - O&A#201418F
Draft Act 167 plan waiting on County to finalize

Apollo Borough - MS4 request - O&A#201518F (O&A waiting on direction)
