

Apollo Borough Council Mtg. 7:00pm 11/17/16

OCA# 201618A

General Services - OCA#201618A

- Street Opening Ordinance - waiting on Council approval
 - Repair areas to be curb to curb as minimum
 - Overlay required for multiple impact is new pavement (5 years)
- N. 11th Street Culvert Replacement
 - Opening of connection between Scenic Drive & Pegtown Avenue
 - Waiting on North Apollo to perform construction work
 - Waiting on RRWA and NA about right-of-way dedication issue
 - Awaiting final design information from PADOT
 - PADOT construction Summer of 2019 for project
 - Sanitary system redesign awaiting final project design from PADOT
 - Reviewing options for Scenic Drive & S.R. 0056 intersection
 - Wooster made minor report revisions and submitted back to PADOT
 - Waiting on PADOT review comments or approval
- PADOT Paving of First Street (S.R. 0056)
 - PADOT meeting held earlier today at 2pm
 - PA Avenue ramps
 - Indicated that in PADOT's opinion putting in the crossings are more dangerous than current
 - PADOT would not install due to walls and steps at intersection
 - Inlet at First Street
 - PADOT would not install deep inlet due to impact to intersection
 - May alternatively adjust paving to direct runoff away from ramps
 - Apollo to investigate pipe type and depth for PADOT

Apollo Borough Sanitary Sewer Services - OCA#201618C

KVWPCA

- River Offalls KVWPCA ownership transfer of diversion manholes to acknowledgement
- Flow data report (still waiting)
- Flow monitoring of the Apollo System to begin December of 2016 and continue for 6 months
 - OCA coordinated meter locations with Gene Burns of KVWPCA
 - The flow monitoring will be used to determine the new sewage rates for each community
 - Elimination of infiltration will help to reduce flow to plant and new rates for sewage
 - Inspection ports could be reviewed during rainfall events to verify compliance
 - The Rural Watershed Association could be contacted about doing inspections
 - A grant could be sought for getting low flow toilets installed to reduce flows
- 2016 PADEP required reporting data to KVWPCA by Apollo
 - O&A to prepared calculations
 - EDU calculations
 - Apollo Ordinance - 15,000 gpd or 167 gpd
 - Typical calculation - 100gpd per person - 2.36 people per household - 236 gpd
 - Commercial and high water users being charged more
 - Value to KVWPCA will most likely be under reported
 - May want to modify ordinance - base upon current census data

Apollo Borough Grants - OCA#201518D

- Greenways - OCA#201518D.02 - approved by DCED for \$150,000 - Apollo match \$26,470.59
- Multimodal - OCA#201518D.03 - approved by DCED for \$166,325 - Apollo match \$71,282.15
 - Funds need to be used by June of 2019
 - Owens Grove, N. 2nd, Hose House Alley, as one project for 2017 construction season

Railroad Street widening and trail work as other project for 2018 construction season
Design work being completed

Apollo Bike Route Idea

Consider bike route / lane using N. Warren and S. Warren looping back to trail
Repave streets, improve landscaping, signage, to draw trail users to businesses
Consider submitting for 2017 multimodal and adding work to Railroad Street project if
project work is scheduled for 2018
